

**Semo Port Loop Track Terminal (LTT) Project
(Material Handling Construction Project)
MARAD Project No. 693JF71910013**

ADVERTISEMENT FOR BIDS

Project Description. Material Handling Facility construction along the Semo Port Railroad in Cape Girardeau and Scott Counties, Missouri. The project will consist of new rail-barge terminal consisting of a rail-to-barge conveyor system for railcar unloading and product transfer and a river barge loadout terminal. The railcar unloading system consists of the railcar unloading building soil preparations, concrete foundations, steel, chutework, feeders, conveyors, utility feeds, piping, electrical systems, instrumentation and controls systems. The barge loading system will include the installation of elevated conveyors, landside transfer towers, chutework, foundations, piles, waterside support towers, breasting dolphins, barge loadout chutes, piping, electrical systems, instrumentation and control systems

Bids. Sealed Proposals for furnishing all labor, materials, equipment, tools, and other incidental items necessary for the project will be received by the:

Southeast Missouri Regional Port Authority
10 Bill Bess Drive
Scott City MO 63780
www.semoport.com

Bids Due on or before **WEDNESDAY, July 19, 2023, at 1:00 P.M. (LOCAL TIME),**

at which time and place the Proposals will be opened and considered. Any Proposal received subsequent to the aforementioned time will be promptly returned to the Bidder. Proposal must be on the form provided and in accordance with the Contract Documents.

A Mandatory Pre-Bid Conference will be held at the Semo Port office at 10:00 A.M. CDT on Tuesday, June 27, 2023.

Bidder must be experienced in bulk material unload and loading facilities and structural construction and other work as described in the Contract Documents.

This project will be partially funded with funding from the Maritime Administration (MARAD) and therefore is subject to the regulations associated with that program. Prevailing wages will be required.

Contract Documents. Bids shall be made in accordance with the Plans titled "*Semo Port Loop Track Terminal (LTT) Project (Material Handling Construction Project) – MARAD Project No. 693JF71910013*" dated June 5, 2023 and the Bid Documents and Specifications, titled "*Semo Port Loop Track Terminal (LTT) Project (Material Handling*

Construction Project) – MARAD Project No. 693JF71910013” dated June 5, 2023.
These will be available electronically on Monday, June 5, 2023 from the office of Eric Frostestad, Project Manager, HDR Engineering, Kansas City, Missouri eric.frostestad@hdrinc.com (phone 816-412-1401).

Title VI Civil Rights Assurances. The Southeast Missouri Regional Port Authority hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.
